

Gunsmith

Join a respected team of Gunsmithing Professionals! This is a rare opportunity to use your expertise as a gunsmith and work with some of the world's finest firearms in our updated 5,000 sq. ft. facility. Become a part of the Griffin & Howe tradition, since 1923.

Position Description Griffin & Howe is seeking Gunsmiths, with a minimum of 5 years' experience, to join our established shop. In particular, we are seeking individuals with focused background or specializations such as stock repair and finishing, metal work and machining, Best Gun repair, rifle building, etc.

Other desired examples of specific knowledge include, but are not limited to, checkering, engraving, bluing, hardening, CNC machining, milling, barreling and chambering. Demonstrated and advanced proficiency in any of these areas would be considered a benefit. Armorers' courses or other advanced training a plus.

Requirements:

- Minimum of 5 Years' Experience (Military Armorers Encouraged)
- Willingness to build on current knowledge base
- Desire to help expand our growing facility
- Ability to remain focused in a dynamic environment
- Extreme attention to detail

All full time positions offer a competitive salary based on level of expertise, medical and dental benefits, Flexible Spending Account and a 401(k) with up to 5% employer match

For consideration, please submit your resume to hr@griffinhowe.com
